REMARKS

I remember that you requested something from DIA when they took possession of the Burroughs disc drives from the West Coast. Enclosed is a memo signed who is responsible for all hardware at DIA assuming responsibility for the equipment. I hope this would be sufficient.

In addition, I have another FY 84 2420 package I would ask you to put into the correct ODP channels for me since Jerry is out and will not be back until Monday. I hope this is not an imposition. I am sure that will not mind(I hope).

DO NOT use this form as a RECORD of approvals, concurrences, disposals, clearances, and similar actions
